- Individuals who want to improve social media, web design and online communication skills

## BoardPASS 365 Board Management Simplified

Login to BoardPASS 365. From a single secure location, generate and manage the information you need to run successful board and committee meetings. Take the stress out of board governance and compliance.

*"Great training day with @CramdenTECH, who knew Corporate Governance Training could be so engaging! Onwards and upwards!"*

*"Really enjoyed the course. I have learned so much. It gives me a better insight into reporting to the board."*

*"The facilitator was excellent. She kept it interesting and the energy levels up and explained things in a way that helped make it relevant to my organisation."*
